THE TADPOLES PROGRAM

Our three one week Tadpole sessions are structured as a therapy-based camp for 3–5 year olds with receptive and/or expressive speech and language delays. The sessions are designed and led by experienced, certified Speech Language Pathologists to specifically target students' communication, play and social skills. To ensure that each child receives individualized instruction, we maintain a low teacher-student ratio with a maximum of four students for each Speech Language Pathologist.

The structure of our Tadpoles Summer Learning Camp is intended to lay the foundation for academic success. Singing songs, playing games, and exposing children to a school routine also prepares students for the coming school year.

WHY TADPOLES CAMP?

- Engaging learning environment
- Daily focus on improving receptive & expressive language skills, play skills, & social communication
- Frequent opportunities for guided communication
- Small class size: four-to-one ratio with Speech Language Pathologists

BENEFITS OF SUMMER LEARNING

We all enjoy our summer break; however, the importance of sustained academic focus, along with maintained school routines and social interactions is crucial to the ongoing development of our children. Oak Hill Academy is committed to providing fun, interactive learning opportunities to our students. The play-based curriculum offers an interesting and fun approach to learning while providing opportunities for collaborative social interactions with peers.

REGISTRATION

- Register through the Google Form link from our website www.oakhillacademy.org/summer. The cost will be charged via FACTS Tuition Management at the time of registration. In the event that a session does not make, funds will be transferred to the balance owed for 2022-23 tuition. If 2022-23 school tuition has been paid in full, a refund check will be issued for the camp fees.
- No before or after care provided

An informal student visit is required for applicants new to Oak Hill Academy. Please contact **Linda Wachel** to schedule your visit.
