

This camp will help students develop the skills necessary to be self-reliant and self-sufficient with basic kitchen and cooking skills and community involvement.

Session 1: June 10 – 14

Session 2: June 17 – 21

Session 3: June 24 – 28

June 10

COOKING WEEK: Students will practice their basic kitchen and cooking skills like measuring, reading recipes and actually cooking. At the end of the week, students will make a meal to share with others!

June 17

VOLUNTEERING WEEK: Location TBD. Students will leave the OHA campus as a group to volunteer at a workplace to gain real-life work experience.

June 24

VOLUNTEERING WEEK: Location TBD. Students will leave the OHA campus as a group to volunteer at a workplace to gain real-life work experience.
