JUNE 10 – 14

Social Sprouts: This is our social thinking week. Students will practice expressing emotions and recognizing feelings in themselves and others.

JUNE 17 – 21

Language Leaps: This is our language heavy week focusing on a different read aloud each day and using our skills to practice activities of retelling, sequencing, inference, and other story skills.

JULY 8 - 12

Lego Camp: Lego camp is a hands-on, interactive, creative play and building camp. Students will focus on problem solving, vocabulary expansion, and teamwork to build various Lego creations. Creativity is a must! Social thinking concepts, such as the zones of regulation and size of the problem, will be targeted to help students successfully build and interact with peers.

JULY 15 – 19

Social Detectives: It is based on Michelle Garcia Winner's "Social Detective" curriculum. Students will learn to understand and detect feelings through facial expressions and body language.
