

## SOCIAL SKILLS CAMP

Take social learning to the next level with Summer at Oak Hill Academy! These morning elementary camps focus on building pragmatic language skills, in addition to multisensory academic activities that combat the dreaded “summer slide.” Facilitated by a speech-language pathologist, Summer at Oak Hill Academy features hands-on play-based camp activities with plenty of peer engagement! Each camp week is a different theme.

**Session 1: June 8 – 12**
